UM to host 'Places & Spaces: Mapping Science' visualization exhibit

by [Alberto Cairo](#) • May 1, 2014 • [0 Comments](#)

Visualization by John Nelson

Starting on September 4th, the University of Miami will host [Places & Spaces: Mapping Science](#), an exhibit of 100 visualizations intended to “inspire cross-disciplinary discussion on how to best track and communicate human activity and scientific progress on a global scale.”

This unique and innovative exhibit is brought to UM by the [Center for Computational Science](#), the [College of Arts and Sciences](#), and the [School of Communication](#). Half of the 100

WELCOME

Welcome to the University of Miami's website about visualization. Several departments, faculty members, and students regularly design visual representations of data and information, and conduct research intended to define best practices in information design, GIS, news infographics, etc. Learn about their activities and projects with us.

EVENTS

SOON

visualizations will be displayed at the Stanley and Jewell Glasgow Hall on the first floor of the [School of Architecture](#). The other half, and all the 3D and interactive elements, will be on the first and second floors of the [Richter Library](#). Other temporary displays and events will be held all over campus, including at the [Cox Science Building](#) and the [Lowe Art Museum](#).

During the Fall 2014 semester, several world-renowned visualization designers and researchers will present at the University of Miami. More information about these events will be available soon. Here is the list of confirmed speakers so far:

Thursday, SEPTEMBER 4 - [Katy Börner](#), keynote speaker at the inauguration.

Stanley and Jewell Glasgow Hall at UM's School of Architecture, 1st Floor. 6-8 P.M.
Reception afterwards.

Thursday, SEPTEMBER 18 – [Manuel Lima](#), on creative visualization and data art.

Stanley and Jewell Glasgow Hall at UM's School of Architecture, 1st Floor. 6-7 P.M.

Wednesday, SEPTEMBER 24 - [Adib Cure](#), [Carie Penabad](#) and [Chris Mader](#), on Mapping Informal Cities.

Stanley and Jewell Glasgow Hall at UM's School of Architecture, 1st Floor. 6-7 P.M.

Thursday, OCTOBER 9 - [Nigel Holmes](#), on humor in visualization and infographics.

Stanley and Jewell Glasgow Hall at UM's School of Architecture, 1st Floor. 6-7 P.M.

Friday, OCTOBER 17 (tentative date) – A

Conversation with [Nela Ochoa](#), [Xavier Cortada](#), and [Patricia Van Dalen](#) on how science inspires
