## Cyberinfrastructure for Network Science Center at IU is Offering a Visual Analytics Certificate Course

8/1/2020

0 Comments

Advance your skills in one of the most in-demand fields, Visual Analytics, by joining the next Visual Analytics Certificate (VAC) course, Sept 7-Oct 18, 2020. This 6-week, 3 CEU course leads to a Visual Analytics Certificate by Cyberinfrastructure for Network Science Center in the Luddy School of Informatics, Computing, and Engineering at Indiana University-Bloomington. Delivered entirely online, all coursework can be completed asynchronously to fit busy schedules. For registration and FAQs go to https://visanalytics.cns.iu.edu/
